

The Quick CASP

A Summer Quality Self-Assessment Tool

The **Quick CASP** is a quality self-assessment tool developed by the National Summer Learning Association in partnership with the California Summer Matters Campaign to help summer learning programs continuously improve their program quality. *This tool requires no assessor training and is **free of charge**.* For additional support on how to use this tool, please refer to the Quick CASP User's Guide and these four short instructional videos which overview the tool components.

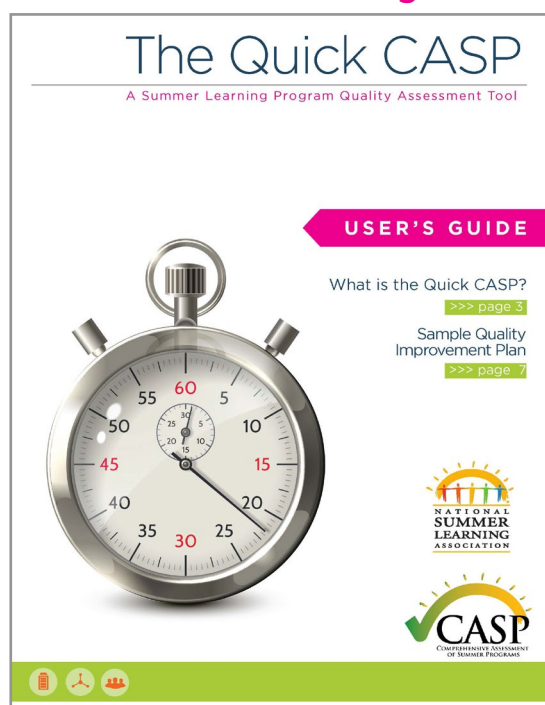

Quick CASP Tool :: 20 Pages

- ✓ Downloadable
- ✓ Fillable
- ✓ Interactive

Adobe Acrobat is recommended if document is to be used and saved as an interactive PDF.
