REGION 5

PURPOSE

Region 5 After School Partnerships provides support to existing and potential state and federally funded before, after school, and summer grant recipients and their partners.

DESIRED OUTCOME

Every school-age child and his/her family will achieve academic and social success at school, in the home, and in the community through the implementation of compliant & high quality expanded learning programs. Staff & students will EXCEL.

GOALS

- 1 Improve the quality of expanded learning opportunities.
- 2 Build local capacity to support high quality programs.
- 3 Increase opportunities for program sustainability.
- 4 Strengthen stakeholder buy-in for an integrated approach between the school day and out-of-school time.
